This modern six-bedroom, five-bathroom villa epitomizes sophistication and simplicity, offering breathtaking southwest sea views and stunning sunsets. Designed with innovative use of wood, glass, stone, and concrete, it provides a luxurious yet serene family home experience.

Upon entering, a spacious double-height hall welcomes you, leading to a vast living room and dining area. This space is complemented by a state-of-the-art open-plan kitchen with the latest appliances.

Large sliding doors with electric security blinds open up to a decked terrace and heated swimming pool, with a private path through the dunes directly to the beach. The meticulously landscaped dune area ensures complete seclusion for the terrace's relaxation and dining spaces. The entrance level also features a guest bedroom with fitted wardrobes, a walk-in wardrobe, and a modern bathroom.

The first floor houses the master bedroom with dual wardrobes, a master bathroom, and terrace access. Two additional bedrooms with sea-facing terrace access and a shared bathroom complete this level. The rooftop terrace offers a fitness area, pergola, and 360-degree panoramic views.

The basement level includes two more double bedrooms with natural light, a spa area with Jacuzzi, steam bath, sauna, showers, storage rooms, and a utility room. An elevator and oak staircase with glass railings connect all floors of this extraordinary villa.
