This modern villa features six bedrooms and five bathrooms, offering breathtaking southwest sea views and stunning sunsets. Skillfully constructed with wood, glass, stone, and concrete, it ensures a luxurious yet serene family home environment.

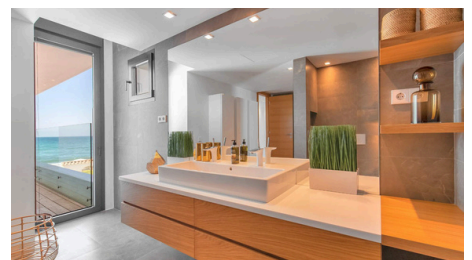

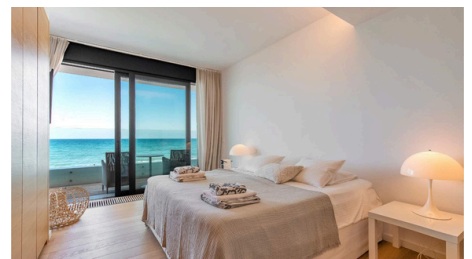

Upon entry, a double-height hall opens to a spacious living and dining area, accented by a state-of-the-art open-plan kitchen. Sliding doors lead to a decked terrace with a heated pool and a private path to the beach, providing complete relaxation in a secluded setting.

The first floor houses the master suite, which includes a master bathroom and terrace access, as well as two additional bedrooms with a shared bathroom and sea-facing views. The rooftop terrace provides a fitness area and offers 360-degree panoramic views.

The basement level includes two more bedrooms with natural light and a spa area complete with a Jacuzzi, steam bath, sauna, and utility room. An elevator and an elegant oak staircase with glass railings connect all floors, enhancing the villa's extraordinary design.
